Practice Areas and Experience

Li Li focuses on cross-border dispute resolution and cross-border compliance, and has participated in the complex commercial litigation and international arbitration cases of large Chinese and foreign enterprises in Chinese courts, domestic arbitration institutions, foreign courts and international arbitration institutions on many occasions. Ms. Li also has extensive experience in cross-border compliance, particularly in relation to U.S. export controls and U.S. sanctions compliance.

Education background

- Ph. D of Law, Ren Min University Law School
- Visiting Scholar, Joint-Degree Program, Harvard Law School
- Master Degree of Law, Fu Dan University Law School
- LL.B, Ji Lin University Law School

Work Experience

Ms. Li joined Chance Bridge Partners in December 2018 as a partner of the Dispute Resolution Department. Before joining Chance Bridge Partners, she worked for the Beijing office of King & Wood for nearly seven years and for a District Court in Shanghai for more than three years.
